Dear The Lounge,

I had been with my boyfriend for about five years before he proposed. Initially, this was all I had been hoping for, and I said "Yes!" almost before he had finished! But as soon as his ring was on my finger, I started to think

about having one last fling before I took my vows. It began as a fantasy – a daydream to indulge in when I had a spare moment – but it quickly developed into an obsession.

As the big day loomed, I became unable to think of anything else. I was starting to feel trapped and claustrophobic (and Andrew had always been the one in our relationship with a commitment phobia). I was relatively sexually inexperienced and became terrified that I would never know another man's body. In the end, I felt like I had no choice in the matter, and I decided to fuck another man to save my relationship.

Getting ready for my big night I pulled out all the stops. I had bought a sexy new Wonderbra, which pushed my tits up and out, creating a fantastic cleavage. I also had a matching G-string and suspenders. Over this, I wore the skimpiest little black dress I could find. I felt confident and sexy; I wanted to be a temptress to the men in the club and to lure one of them into fucking me. This thought made my knickers wet before I'd even headed out of the door.

I spotted my man as soon as I entered the club. Although I am usually fairly shy, I felt like I was another person on this night

and just lost my inhibitions. He was working behind the bar, and I just watched him move; pretty soon, he noticed me. He managed to introduce himself as Peter in between serving drinks and kept directing winks at me whenever I caught his eye. I knew it was going to happen, so when he came over and told me he had a ten-minute break, I played my ace.

All I could think about was having his cock inside me, and soon I was moist between my

“

I moved my mouth up and down his shaft, sucking noisily as I worked.”

legs. I could hardly stand the anticipation, and although he'd not even touched me yet, I felt I could shag him right there and then. It took all my willpower not to just pull my scanty knickers over to one side and let him slip into me right across the bar in full view of the thirsty crowd. I followed him down a maze of corridors and then through a dirty white door. I was shocked by the change in temperature and could see mist forming from my breath as he led me down into the cellar.

As soon as we reached the bottom of the stairs, I reached up and grabbed behind his head, pulling him towards me. I kissed him long and hard, probing with my tongue in his mouth. As we kissed, I grabbed his bum and felt his solid dick pressing against me. We kissed again passionately, and he put his hand up my skirt. His hands roamed all over the top of my legs, feeling and enjoying the sensation of my suspenders. He reached up between my legs and pushed a finger up inside my slippery cunt.

My breath was coming in short gasps now as he inserted another digit inside me, pushing them as far in as they could go. I reached down with my hand and undid his zipper. I reached inside and found his straining dick. I placed my hand around the shaft and pushed the foreskin back, leaving the head pointing towards me. He let out a sigh and pushed his fingers inside me again, harder and faster.

I wanked him off while he finger-fucked me, but soon this was not enough for either of us. He pushed me back against a wall, and I wrapped my legs around his waist, impaling myself on his massive cock. He slid straight in, and it was all I could do to stop myself from just coming on the spot. He held me up with one hand, and the other reached inside the top of my dress.

The chill of the cellar had caused my nipples to draw up and become erect. His fingers found my hardened point and twisted it, stopping just before the end of pain to create an exquisite sensation, which ran down the length of my body. I flung my head back, and he kissed my neck, biting it softly with his upper lips and simultaneously cushioning it with his lower lips. He placed both hands on my arse now and lifted me up and down, with greater frequency. He had a very muscular upper body, presumably from lugging around crates of beer but this meant he was able to life my weight with little effort. The back of my dress got caught on a rough section of plaster and ripped adding to the sensation of abandonment. I felt wild and sexy and could almost believe I was no longer myself anyway.

Peter reached one hand still further around me and slid his finger towards my arsehole. I was so excited I felt ready to try anything and was surprised by the sensation of penetration. The dual effect of being penetrated in both my holes was too much for me to bear. I could hold back no longer and reached a mind-blowing orgasm. Afterwards, I placed my feet wobbly back on the floor and realised Peter still hadn't finished. I dropped to my knees in front of him and licked my juices up off his stiff cock, running my tongue right along the full length of it. I took as much of his penis in my mouth as I could, and almost gagged when it hit the back of my throat. I moved my mouth up and down his shaft sucking noisily as I worked. After a while, I concentrated on wanking him off with one hand while cradling his warm balls with the other until he suddenly shot a great sticky wad into my open mouth. I quickly clamped my lips around his jerking pole and swallowed every last drop of his delicious come as it spilt out into my mouth.

I'm now happily married and that night is but an exciting memory, though it's one I relive every now and then after Andrew leaves for work with a frantic finger-wank, which always puts me in a good mood.

Amanda, Sussex.

We got the low-down on a recent cheeky holiday Roxy Mendez enjoyed, and she was keen to tell us every last naughty part.

"I was taking a well-earned girlie holiday, staying with my horny little friend Kat who models for a living out in Spain, when one day she suddenly told me she was going to show me her pom poms. Kat used to be a cheerleader when she was at college in the States a couple of years back, still had all the gear and wondered whether I would like to see it and maybe try some of the stuff on. Now I might be sweet and naive, but two horny little minxes like us getting together to try on tight tops and short, short skirts? Well, what did you think would end up happening?"

It's safe to say, our minds imploded at this point!

TOTAL RECALL

Dear Total Recall,
I came to the joys of Club
DVD late in life, being fifty-
four now, but I will never
forget my first issue, Vol.7 No.7,
and seeing my first girl-on-girl. I'd
always fantasised about it and had
many a wank over the thought of
ladies touching each other, but here
it was before my very eyes. They
stroked and caressed each other in
the pictures, and the DVD was even
better, as the live-action between
these two playful women Fran
and Lucky was almost more than I
could bear. It would be amazing to
see these two in print again, as the
magazine I had has long since fallen
to pieces, and the DVD I think got
worn out.
Brian, West Midlands.

Die-hard fans of Club favourite Amy Green may well remember that she recently went from blonde to brunette for a while, then resolved to change it back to blonde by the time we saw her next. So what on earth happened?

"I guess I just got used to it," she shrugs "beside it's still blonde in part," she says, stirring her coffee on the top floor of London's fashionable private member's bar Soho House. "You see, it takes me a while before I realise I like something. And I like the type of man I attract with brown hair." Do go on.

"Blondes tend to attract flashier men who think that money is sexy to a woman. But I've discovered that brunettes seem to get chatted up by the cleverer, funnier men and I like that."

Maybe there's hope for us yet!

Kaleidoscope

DVD £9.99

It's a bit of a double act, with Rupert Jones directing his brother Toby Jones in this grim and potent psychological thriller, that has, as all good ones do (Psycho) a mother complex strain running wildly through. The magnanimous Anne Reid (Last Tango in Halifax) plays the middle-aged Carl's manipulative mother Aileen, who has the ability to make the mundane menacing. So as we enter the urban jungle of concrete architecture, with interiors of earthy brown and sludge green, we also enter the prison-like cell of Carl's mind. This drab council flat sits dispassionately as the backdrop to the havoc of Carl's spiralling reality. Just like the chaotic nature of the mind, Rupert Jones script and direction bounce about like a pinball, muddled timelines make the film resemble the kaleidoscopic picture Carl sees in one of his few possessions, from an otherwise miserable childhood. In order to try and make sense of events the brief prologue helps, with a cadaver in Carl's bathroom and the word 'Lust' on his calendar, we can gather this has something to do with Abby (Sinead Matthews). An online encounter that flourished into a physical meet, but by the time Aileen turns up in need of shelter, has this encounter ended tragically? An engrossing and baffling film that deserving of its win for Best Performance at the Edinburgh Film Festival.

Brassic

DVD £11.99

The opening of this side-splitting series from Sky runs along the lines (albeit an up to date version) of Trainspotting's 'Choose Life'. The self-styled 'Blair's forgotten youth', consists of the inseparable Lancashire lads, bipolar Vinnie (Joesph Gilgun) and pin smart Dylan (Damien Molony). These are northern ne'er-do-wells who create their own entertainment on the wrong side of the law, with help from the fast food-loving Cardy (Tom Hanson), Irish Traveller Ash (Aaron Heffernan), and sex dungeon extraordinaire Tommo (Ryan Sampson). There's chaos, carnage and laughter, much to the annoyance of Dylan's exasperate girlfriend Erin, played stonkingly by Michelle Keegan. Great performances all round, in this genuinely funny series.

Dublin Murders

DVD £16.99

Sarah Phelps whose adaptation credentials include the most recent string of Agatha Christie's has now turned her hand to Tana French's Dublin Murder Squad Series, with the first two books In the Woods and The Likeness providing the backbone of this eight-part series. Garda Detectives Rob Riley (Killian Scott) and Cassie Maddox (Sarah Greene) are placed in charge of a murder investigation after a 13-year-old girl is found dead in the woods. With everyone wondering if there's a connection to the disappearance of three children 21 years ago, there are a lot of questions that need answering and a lot of links that need threading. A series that will keep you guessing till the last deliciously dark crumb has gone.

Just look at those cushions! Have you ever seen anything so hideous? Not even that fucking foppish fool Lawrence Llewellyn Bowen could find any redeeming features in them, surely. So we reckon it's a bloody good job they've got the divine Lacey Jay crawling all over them wearing next to nothing. Otherwise, we would have called a house clearance firm and had them taken away sharpish. But, as with most things, the cushions melt into the back end of our mind (never to return), once Lacey unhooks her bra.

If you've got a teenager who's been banging on about a smartphone, but don't want to shell out for the latest iPhone or Samsung? Then the Alcatel 3V Spectrum could be just what you've been looking for. Looks-wise, it's similar to every other phone on the market, but with a six-inch screen that boasts 2k resolution that's something pretty special on a budget phone. There's also a 12MP camera that does well in low and bright-light conditions, headphone jack, fingerprint scanner, micro SD expansion, and 16GB memory. There are some downsides, of course, the Alcatel 3V is slow, it takes a while to load apps and webpages, and the battery could be better even for the price tag. But hey, it's got everything they need.

Just the mere mention of the name Blair in Club HQ and we're transported back to a political time we would rather forget. Thankfully, that all changed as soon as we set eyes on the 21-year-old American Blair, who's firm curves, youthful radiance and shining personality has captivated us.

"You guys are so sweet," she sang down the phone to us one afternoon,

after we paid our compliments.

"Brits I find are always so polite and attentive, and I'm a girl who likes to be doted on, hand and foot, and that includes in the bedroom. I expect a guy to do his bit, having been on the receiving end (or rather lack of) a lot of takers."

What were these men, barbarians? We'd be happy to lap you up all night long.

Super Whores

Evil Angel

Starring: Alex Legend, Chris Strokes, Jane Wilde, Jasmine Jae, Lily Lane, Markus Dupree, Mick Blue and Vicki Chase.

Synopsis: "Stylish pornographer Jonni

Darkko presents hot anal fucking, ass-to-mouth blowjobs and serious rectal gaping, all as delivered by a cast of glamorous-but-filthy knockouts the director calls 'Super Whores.' Smoky-eyed Jane Wilde rubs her rosebud as her cunt quivers in anticipation. Chris Strokes fills her butt with a toy while his big cock pokes her sweet pussy. Juicy backdoor plowing leads to a messy mouthful of sperm. Latina bombshell Vicki Chase spreads her tight bunghole for Markus Dupree's stiff prick. He fingers her sphincter aggressively, and Vicki squirts! She scoops his hot cum from her face to

swallow. Tattooed Lily Lane shoves two big black dildos in her mouth. Mr. Strokes and Alex Legend douse her in lube and plug both of her holes with their schlongs for a nasty double penetration. They pump hard as she spasms orgasmically. Dark-haired British brick house Jasmine Jae shows heavily hung studs Markus Dupree and Mick Blue her sexy clit piercing. In a dirty threesome, she watches as they slide their meat in her orifices for a salacious DP. Jasmine stuffs both pricks in her mouth for gagging, ass-flavored fellatio! Jonni Darkko's 'Super Whores' is a single-disc DVD with cumshot recap, cast list and filmographies." *Courtesy Evil Angel*

Verdict: With pussy and arse pounding action, double penetration, squirting and toy play, there's not much left out of Darko's Super Whores, and what a smoking cast to do it with!

Teen Passion

Private

Starring: Anne Rice, Mickey Moor, Stella Flex, Mary Fox, and Madlen.

Synopsis: "Private Specials, Teen Passion opens

These girls may look young and innocent, but they know how to fuck like pros. Get ready to experience the real wild side of these cute teens

suck, fuck and do whatever it takes to please... you won't want to miss a single minute!" *Courtesy of Private*

Verdict: What a merry dance these young lusty teens are leading, as there raging

hormones get the better of them and they seek out some hot action with our well hung studs. This movie introduces the gorgeous Stella Flex to your screens as she shows her man exactly what she can do with her body, 69ing before riding his cock to a cream pie finish. But Stella isn't the only newbie on the block with Madlen also having a fresh-faced moment as she cowgirls and doggy styles her way through a good pounding before her guy unloads all over her pussy and body. But it's Anne Rice whose been brushing up on her Karma Sutra that opts for anal and a face full of cream. An excellent spread of young fruit ripe for the picking.

I suppose I should think of some festive speel; otherwise, The Ed will give my ears a ringing, this being the Christmas issue and all. But with 21-year-old Imogen, I guess that might not be so hard, so here goes...umm...err...ooo...nope, fuck it! I confide in débutée Imogen my hesitation, and just

like unwarping a present, she slips off her gown to reveal a red satin slip that would be the envy of Mrs Claus.

"Does that make things easier?" It certainly does, now crack out your mince pies, and I'll show you a couple of tight baubles and a bell that needs ringing...

The Americans and Brits have long since held interesting relationships, as Brittany recently spilt the beans on one a particular subject close to her...umm, rear?

"There is something about the flat of a man's hand on my rounded arse that seems to turn me on like nothing else can. That warm glow, will have me coming in minutes, and you Brits I have to say are some

of the best cheek warmers. Some of my girlfriends seem to think it's a bit, well, perverted. But actually, I did manage to persuade one of my friends – Katie – to let me give her a little demonstration when we'd had a few too many the other night. I'm not sure whether she liked it or not, though, the minute I put her over my knee and pulled her panties down she came!" So it can't have been bad?

DIRTY WATERCOLOURS

I've always been into modern conceptual art, so when I saw an advert asking for female volunteers to take part in a historic art project, I replied straight away.

The artist who was constructing the piece was named Joshua, and he invited me to his studio to view his work and possibly become part of it. When I arrived, Joshua explained his concept, that art was just another expression of love, the same as sex, and that he wanted to blur the lines between the two and create a collage of images depicting acts of love. He talked like this for ages, and I wasn't entirely sure what he was getting at, but it all sounded very provocative, and I desperately wanted to be a part of it.

Joshua told me he worked mostly through the medium of photography and showed me what he'd done so far: the wall was filled with photographs of naked women in the same little black mask, sucking on cocks.

"I'm trying to get 69 different women to agree to take part, and so far, I've had 23. Do you want to be immortalised in my art?" he said and handed me the mask. I wasn't sure what I'd been expecting, but it hadn't been this. It was an obscene idea, but Joshua had assured me this was the sort of reaction he was hoping to provoke when his work went on display. Like I've said, contemporary and cutting edge art is often shocking, so I agreed

and stripped out of my clothes.

Joshua took his trousers off and picked up his camera. He told me to suck him off and that he'd take pictures of me performing as we went along. I put on the mask, got down to my knees in front of him and looked at his up-turned prick. Just before we started, he painted the number '24' on my tits and told me to go for it.

I wrapped my fingers around his fat member and closed my mouth down over the end and sucked. His cock tasted salty against my tongue, and I licked it all over, enjoying the taste of it. I felt an unexpected rush of excitement as I stroked his hot erection in and out of my wet mouth. I cupped his hairy balls and tickled them underneath as Joshua swayed to and fro, snapping off various shots of me with his cock in my mouth. I looked up at the camera and wiped his wet shaft all over my face, and the mask as Joshua snapped me some more.

"Touch your nipples," Joshua ordered me. I did as he instructed and pinched and pulled at my buds as I tugged his cock back again and again. I licked the end of his prick and tasted pre-come as it leaked out all over my tongue, which just made me more hungry.

My pussy was moistening up with excitement, and I stroked myself between the legs. Joshua took a couple of shots of me as I fingered my hole and I started beating his prick really hard and fast in an effort to make him spunk.

"Oh yeah, keep doing that," he told me, so I picked up the tempo, shook his shaft violently and sucked on his salty tip. "Oh, fuck, I'm going to come. Open your mouth," he told me. I did as he said, and a great streak of white come hit my palate with some force. He snapped off the rest of the film as I milked his jerking cock into my open mouth, squeezing out every drop, then I posed for one last shot with his sperm all over my tongue and his throbbing meat in my face. It tasted good and dirty and filled my sinuses with the smell of sex.

"Swallow it," he told me. "Digest my art." I did as he said and gulped down every last drop, then licked the last few pearls from the end of his fat cock and drank those too as he took more shots.

We got cleaned up, and I left Joshua to his work after he took a few final shots of me sucking on his balls. I haven't seen the piece anywhere or heard anything more about it, and when I called Joshua to ask him when it would be appearing, he told me he hadn't actually managed to sell it. That's a pity because I thought it was fantastically stimulating.

MOVIE LOVERS

For my birthday I wanted to do something a bit different, so I went with a few of my girlfriends went into Soho and visited a porno cinema. I'd never been anywhere like it in all my life and loved how sleazy the place felt.

The theatre was virtually empty, just a few guys and girls sitting here and there, so a big group of giggling girls really grabbed everyone's attention. The movie was already running when we arrived, though we didn't have much trouble picking up the plot. From what I could see, it was basically about some pretty blonde spy who was screwing everyone she met to infiltrate a gang of blokes with big cocks. The acting was ludicrous, but the sex was pretty filthy, and I actually started to get turned on by it. After fucking two of the baddy's henchmen, the heroine then seduced this female spy and ate her pussy and arsehole out until the female spy gave her all her secrets. I felt a little weird watching it with my girlfriends, though none of them seemed to mind, so didn't say anything.

The heroine used a huge dildo on the other woman, and I was transfixed by this fat piece of black rubber as it was stuffed further and further inside her smoothly-shaven cunt. I'd toyed with the idea of fucking other women in the past, but this was the first time I'd ever seen two girls actually doing it with each other, and I found it a head-rushy turn-on. My knickers were soon saturated with sex, and I longed to touch myself between the legs, though I wasn't about to do it here in front of my friends. I made my excuses and went to

the toilet. I knew I didn't have long before my friends would get suspicious, so I shut myself in a cubicle, peeled off my panties and frantically friggd my aching hole.

It felt so nasty doing what I was doing, though this was half the excitement and I started to fantasise about that female agent walking in and making me fuck her too. I must have been so caught up in my daydreams that I didn't notice some punk girl watching me over the cubicle wall. When I did, I almost freaked out. I pulled my skirt down and went bright red.

The girl didn't move. She just grinned and told me to carry on. "Don't stop. Come on, let me watch," she said quietly. What I wanted to do was run from the toilet in embarrassment, but I was so close to coming, and the added incentive of the strange young girl watching got me really hot. I pulled up my skirt again and carried on friggd myself off as I looked up at her. She licked her lips as she watched my frenzied fingers and whispered dirty things to me.

"You want to take a closer look?" I nervously asked, so she climbed off the seat and nipped into the cubicle with me. I opened my legs so that she could see everything and fucked myself hard with two fingers. It was so exciting having her watching, and when she began stroking my thighs, I almost squirted on her. She stroked her hands up between my legs, so I moved my own hands away and let her touch my pussy. She pressed my clit nice and hard and rubbed my cunt with her fingers as my nipples stiffened inside my bra. She slipped a finger inside me, and I had to bite down on my own to stop myself from crying out. She worked it in and out of my hole, and I felt so wantonly filthy at that moment that I begged her to lick me out.

The girl moved her face between my legs and stroked her tongue up my hot crack, and I gasped as I felt her enter me. She flicked her tongue in and out of my pink slot and lapped my little pulsing button with her pointed tip as I panted with pure pleasure.

“ I slipped a finger between her buttocks and pressed the tip inside her arsehole...”

My juices were gushing all over her mouth, and she held my pussy wide open and licked up between them harder and harder until she forced an orgasm out of me. When I climaxed, I wrapped my legs around her head and came with her tongue inside me. It was the most sensational orgasm I've ever had.

I lay there breathing hard and shaking all over as she got to her feet and gave me a kiss.

“You want to come back to my place?” she asked, and I so desperately did, but I couldn't just do a runner without my friends. “They've already gone. They thought you'd left and they went after you, so come back to my place and fuck me. I know you want to.” I knew she was lying about my friends, but suddenly I didn't care. I went back with her place and had the filthiest night of my life, indulging every fantasy I've ever had – and a few I'd never even dreamed of. I never got to see the end of the movie either. I wonder how it turned out.

Rebecca, London.

MY BEST FRIEND'S WEBBING

I've been a practising bi-sexual since my university days, though when I came home after graduation, I never told anyone about that side of my life. Well, it wasn't anyone's business, and I didn't want to lose my old friends, so I kept all pussy licking to an absolute minimum around my little home town and only indulged myself when I went away on dirty weekends. This has worked out well for me, and I'm pretty contented with my lot in life. But then, a couple of weeks ago, I was having a heart to heart with Rachel, one of my oldest friends, when she let it slip (after a few too many glasses of wine) that she'd had several bi-sexual dreams at night and that she was really worried. I asked her what she was worried about, and she confessed she'd become aroused by them.

“I'm not a lesbian; honestly I'm not,” she insisted. I told her I wouldn't care if she was. Rachel doubted my sincerity and swore she'd never act on these fantasies, but I just told her if she was comfortable with it, then she should go for it.

“You have to try these things if you want to; otherwise you'll just end up frustrated and miserable,” I told her. Rachel couldn't believe what I was saying so, after much deliberation,

I laid my cards on the table. “If you want to try these things with me, you can. I've been fucking other women for years, but I always wanted to try it with a friend.”

At first, Rachel thought I was just teasing, so to prove that I wasn't I leant forward, put my hand on her leg and kissed her on the lips. I opened my mouth against hers and snaked my tongue inside. Rachel was surprised and confused, though she didn't resist. I rubbed her knee and slowly slipped my hand up her skirt, past her stocking tops and between her legs. Rachel whimpered against my mouth as I parted her thighs with my hand and stroked the front of her bulging gusset.

“Are you sure about this?” she asked, pulling away a little. I continued to kiss her face and rubbed her lacy panties with my long fingers as she grew hot.

Rachel slowly opened her legs wider and wider until she was spread-eagled against my hand. I rubbed her bump through the material from pubes to arsehole, then slipped my hand inside and touched her moist slit. She trembled as I slid inside her, but soon I had her lying on her back with her legs open and her panties completely off.

Her cunt was warm and sopping wet, and I drew my fingers out of her and sucked them clean. She had a sweet taste to her, so I dipped my head between her legs and closed my mouth over her glistening, hot pussy mound.

I darted my tongue across her soft lady folds and slipped it inside to taste her sweet wetness. Rachel tensed up at first when my tongue entered her, but then she slowly started to relax as I explored her pink insides.

Rachel pulled her top up and rubbed her breasts as I lapped between her legs and drove her on towards her first lesbian orgasm with my mouth and my tongue.

I rubbed her swollen entrance and stroked a couple of fingers in and out of her pussy as I ate her out, then concentrated all my efforts on her clit until she was spasming against my face.

“Oh fuck yes!” she cried, pulling me hard into herself and rubbing her seeping cunt all over my face. I slipped a finger between her buttocks and pressed the tip inside her arsehole, and she came straight away. I tasted her orgasm as it washed over my mouth and continued to lick her until she was reduced to a sweaty, shivering heap.

“That was fantastic,” she moaned, looking me in the eye as I lazily tongued her hot crack, which was still oozing the sticky love juices I crave so much.

“Now you have to do me, my new little lesbian lover,” I told her, though, from the buzz I felt between my legs, I knew it wouldn't take long.

Peachs

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

PLEASE TURN OVER

I think the world of my boyfriend; he's intelligent, dependable and very kind to me, but somewhere along the line, the spark disappeared. We used to have a fantastic sex life and still make love once a week, but it seems more like duty these days than passion. I always liked to think of myself as an adventurous dirty girl, but in recent years I've come to realise I'm just a plain old ordinary housewife who has to fantasise about porn while I'm fucking my boyfriend in order to cum. And that's a shame really because I'm still only 28 years old; at my age I should out there doing it, not at home watching the adult channel while my boyfriend's at work.

Things finally came to a head last week when the telly packed in, and I had to call out the TV repairman. As he was fixing my set, he asked me what sort of things I watched. For the sheer hell of seeing his face I told him mostly the porno channels while my boyfriend was out and before long he was questioning me about sex. I found it a real thrill being this open with a total stranger and told him anything he wanted to know; did I masturbated when I watched porn? Did I ever fantasise about other women? Did I swallow? Had I ever taken it in the arse? I answered yes to all these things except the last one, and he said that was a shame, a porn enthusiast like me really should have done that.

"Maybe you could do it for me," I said,

breathless with excitement. It may have started out as just flirting but I hadn't felt this alive in years and desperately wanted to be fucked. The repairman bent me over the sofa and pulled my skirt up and my knickers down. He ran the tips of his finger up along the crack of my pussy, up between my bum cheeks and over my arsehole and I shivered with naughtiness. I opened my legs for him, and he dropped his face between my buttocks to lap at my pussy. It felt so good doing something so daring that I quickly

"...pumping them in and out of my slot and smearing my own lubricant into and around my bumhole until I was totally slick."

juiced up all over his face as he rimmed me from pussy to arse.

The guy straightened up behind me and used his fingers on my pussy, pumping them in and out of my slot and smearing my own lubricant into and around my bumhole until I was totally slick. It was true, I hadn't ever done anything like this before, simply because my boyfriend was so straight-laced, but his strong fingers felt strange and exciting as they probed my ring and I couldn't wait to feel his cock in there.

He unzipped behind me and stroked his meat up between my buttocks, pushing them apart so that his length rubbed against my taut arsehole. He tantalised me like this for a while, so I ripped the rest of my clothes off, desperate to be naked and at the complete mercy of this young guy as he did with me whatever he wanted.

"You ready?" he asked, pointing his prick between my cheeks, and I told him, "Fuck yeah, give it to me!"

He nudged forward against my slippery anus, and his fat lance stretched me open and

ploughed into my bum. I let out a loud gasp as he penetrated me more and more and instinctively gripped at his prick with my ring, though he just kept on coming. I'd never known a cock feel so huge before and I'm not in the least bit ashamed to say that I loved every moment of it.

"You're so tight," he told me, thrusting in the last little bit so that I was totally impaled on his erection. He withdrew away then pumped back in, emptying and filling me up again with one quick thrust. He did this again and I prickled with dirty pleasure all over. It wasn't just how it felt either, it was the thrill of knowing that my boyfriend could walk in at any moment and see me being fucked in the arse over our sofa by a complete stranger. I played with my clit as I fantasised about this scenario and came all over my gyrating fingers.

The guy fucked me good and hard for several more minutes, bringing me off again before he was done, then he told me he was going to shoot.

"Come in my mouth," I told him, keen to play the complete porn slut. He pulled out of me, and I quickly dropped to my knees just as he unloaded into my mouth. I jerked him off

“

He ran the tips of his finger up along the crack of my pussy, up between my bum cheeks and over my arsehole...”

...nice and hard so that he squirted his mess all over the back of my throat and I gulped every drop down just as fast as he could spill it.

Since then, I've fucked the postman, the pizza delivery lad and some bloke I found through the personal ads. The smile is definitely back on my face.

Julie, Southampton.

BUN'S THE WORD

For years now, whenever I've used my vibrator, I've always stuck it in my bum. I've never had a cock in my arse before, as I'm very embarrassed about enjoying it in there, but I do love the feel of a sex toy buzzing away in my backdoor. It makes me feel so dirty, like a hardcore porno slut and I always come loads whenever I fantasise about being taken charge of and fucked from behind.

A few weeks ago, I was at my best friend's dinner party and a bit trousered when someone dug out an adult 'Truth or Dare'

card game. I thought this was a great idea and threw myself into it with gusto, but woke up the next day cringing with embarrassment when I remembered all the things I'd revealed about myself.

I prayed all would be forgotten and kept a low profile for a few days, but then one of the fellas from the party called around with a bottle of wine a couple of days later.

"You remember the things you said the other night?" Sean laughed after a few glasses. When I pretended not to he insisted on reminding me until I was mortified with shame. "The one I liked the best though was where you said you wanted a guy to take the lead and fuck you in the arse," he said, and I blushed scarlet.

"I really don't remember," I lied, but Sean was having none of it.

"Yes, you do," he insisted. "And I plan on fulfilling this fantasy for you."

"You can't be serious?" I protested, but Sean was very serious indeed and ordered me

to get onto my knees and turn around. "Come on, that was just fantasy," I told him, but Sean pulled his rigid prick from his jeans and stroked it in front of me.

"So you do remember. Well, fantasy or not, you're getting this in the arse, so you'd better get used to the idea and bend over." Sean didn't look like he was taking no for an answer, though my protests were all suddenly paper-thin. I must've described my fantasy to the letter at the party because this was pretty much how it went. I did as he instructed and leaned over the chair, and Sean pulled my knickers down and stroked my arsehole with the tips of his fingers. I was still embarrassed about admitting to loving it, but Sean's forcefulness really turned me on, giving me goosebumps all over my body.

Sean stuffed his face between my buttocks and licked all around my ring, making me feel absolutely filthy and exciting me beyond words. My heart was racing inside my chest, and my nipples felt painfully hard against

“I jerked him off nice and hard so that he squirted his mess all over the back of my throat...”

my bra as I had my puckered bung hole pleased with fingers and tongue. I leaned against the back of the couch with my face and used my hands to pull apart my bum-cheeks, really loving the incredibly rude and intimate things that were happening to my arsehole.

“Get your cock in there,” I urged him, as he oiled me up with my own juices. Sean didn’t need a second invitation, he stood up behind me, pressed his bloated meat against my tight hole and pushed. My ring wouldn’t open wide enough at first, and it took some gentle persuasion before his spit-covered cock parted my arsehole and surged inside.

Sean’s dick was much larger than my vibrator, and I howled as he entered me. He eased up a bit to let me get used to the size, then pressed forward some more and didn’t stop until I had the lot hard up between the cheeks.

“I can’t believe what a dirty bitch you are,” Sean whispered in my ear, as he pumped his cock in and out of me, and this sort of talk got me hornier than the seven thick inches of man-meat stroking itself in and out of my arsehole.

“Say it again,” I pleaded, and Sean played along, calling me every filthy name under the sun as he pulled me back by the hips onto his rock solid cock harder and harder. I stroked myself up between the legs and pinched my throbbing clit with total abandon, absolutely loving the reality of my fantasy and eventually loosed off a great climactic load all over Sean’s slapping balls.

Sean ploughed into me one last time and held himself tight against my cheeks, and I felt his prick pump an enormous gush of hot spunk spray out inside my arse.

“That was fucking great,” I told him, once I’d caught my breath. “But please, don’t tell anyone about it though.”

“We’ll see!” he grinned and this turned me on all over again.

Abigail, London.

We caught up with Ava Dalush to talk bathrooms and cost-cutting.

"I always like to give myself a good rub down there when I'm in the shower," giggles dirty Ava. "But the rubbing does tend to go on a bit too long." Still, it doesn't look the worst place on earth to have to spend some time. Your bathroom, that is. Very nice job, if we may say so.

"Do you like it? I got this local bloke to do it and when he'd finished, it looked absolutely fantastic. But when he handed me the bill, I almost fainted. It was absolutely massive, and I didn't have a clue how I was going to pay for it. So I had to think of something." And that something was?

"A blow job, actually. I called it a nosh for less dosh. He liked that... and it seemed to do the trick just fine." You haven't got any other odd jobs you need doing about the place at the moment, do you Ava? We have to say, our rates are very unreasonable.

What our well-placed moles are telling us this month...

DOWN THE WIRE

WAY ANCHOR!

Sail a 120-foot research vessel? No problem. A woman who cannot be named for legal reasons was detained in San Diego after the attempted theft of aforementioned research vessel while scientists were asleep on board.

The dock lines of the 'New Horizon' were seen being untied by a security guard at around 2am. The woman in question was suffering from mental distress and wished to return to North Carolina and has since been handed over to San Diego Mental Health department. Maybe use some toy boats for battleships in the bath next time.

What an Ass!

HAPPY STEAL!

A hard morning's thieving will leave you feeling peckish, so why not nip in to McDonald's for what might not turn out to be such a Happy Meal! After reporting her SUV stolen, Virginia Maiden watched her stolen vehicle pull up to the McDonalds drive-thru window where she was working.

After Maiden called the police, the driver Katherine York, 22, was charged with possession of a stolen vehicle, which she had obtained from Maiden's apartment complex car park. Also found were clothes still supporting security tags from JC Penny and Sears. Should have gone to Burger King...

They heard breakfast was closing early!

20/20!

Russian roulette Gov?

One stink to another!

This could be an advertisement for Specsavers, if a precarious one. Thomas Grant from Pennsylvania mistook his nine year-old cousin for a skunk, during a game of Hide and Seek at a Halloween party and shot her through the shoulder.

Grant admitted the charges of assault and reckless endangerment and will serve a two-year probation and pay restitution to the family. Officers were later told by Grant's mother that she had seen a skunk earlier and had given her son instructions to shoot it.
